## THE TWO PILLARS

The FellowCraft is introduced to the wonders of this world of art and science through portals flanked by two massive pillars. Detailed description of these pillars in the Books of Kings indicates a style of design common to Egyptian architecture, where a pillar terminates in a capital representing a conventionalized lotus blossom, or the seed pod of that sacred lily. Such twin pillars are frequently found among Egyptian and Sumerian archaeological remains.

The pillars of King Solomon's Temple, and in fact that entire group of structures, were the work of Phoenician artists, according to the Biblical account. From other sources we gather that these same designers and craftsmen, initiated Dionysiac architects, were responsible for the magnificent palaces and temples at Byblos, the cultural and esthetic center of ancient Phoenicia.

The Phoenician realm occupied an area roughly the same as that of modern Syria and Lebanon, and in Biblical accounts is usually called Tyre, from the name of its then capital city. Byblos, also known as Gub'1 or Gebal, the present-day village of Jebeil, was particularly famous for architects and sculptors.

The twin pillars symbolize the dual nature of life and death, positive and negative or rather active (establishment) and passive (endurance), male and female, light and dark, good and evil, uniting in a central point of equilibrium, the apex of an equilateral triangle; a circle between two parallel uprights. Isis represented standing between two pillars of opposing polarity, the Ark of the Covenant between two Cherubim, Christ crucified between two thieves, are all symbols of the same trinity, the complete ness and perfection of Deity.

That the twin pillars resemble the conventional symbol for Gemini, third sign of the Zodiac, is no accident, but rather due to the common ancestry of the two apparently unrelated symbols.

In some lectures the pillars are said to be 35 cubits high, the height given in II Chronicles, King James Version. Another version of the same source gives the height as 120 cubits. Since the height of the first or outer chamber was probably no more than 30 cubits, the measurement given in I Kings: 18 cubits, seems more likely to be correct. The addition of map globes atop the pillars is a modern invention, with little Biblical or other authority and serving little purpose but to permit the lecturer to harp upon the advantages of studying astronomy, geography, etc., worthy pursuits but wholly unrelated to the symbolism of the pillars.

Whether the three chambers of the Temple were connected by stairs is debatable. The best-informed scholars believe the Temple roof was flat, in which case the successively decreasing heights of the chambers, plus the somewhat sloping configuration of the site, would require approach and connection by means of either stairways or of some sort of ladder and trapdoor arrangement. Certainly the fantastically elaborate many-storied versions of the Temple depicted by some well-intentioned but ill-informed Bible illustrators and Masonic artists are so illogical and at variance with the few known facts and testimony of both the Bible and history as to seem the figments of a disordered imagination. Josephus stated that the Temple was of Grecian style which implies entablature and consequently a flat roof, although he had the cart before the horse, since Greek architecture was derived from Phoenician, not the reverse.

In any case, the stairway of our lectures is purely symbolic, consisting as it does of the significant numbers 3, 5, and 7. In such a series, 3 symbolizes such qualities as peace, friendship, justice, piety, temperance, and virtue. 5 represents light, health, and vitality- 7 is a symbol of control, judgment, government, and religion.

**WEDNESDAY NIGHT  
IS LODGE NIGHT**

**A Message From  
Our Worshipful Master  
Wor. Aaron J. Cohen, P.M.**

**G**reetings Brethren and Ladies,  
Now that summer is coming to an end, we will be going back to wearing suits and tuxes at the Stated Meeting starting in October.

September is Constitution Awareness month and I have asked Bro. Nick Gullette to speak about this document.

I would like to wish my fellow Jewish brothers and their families a Happy and Healthy Rosh Hashanah and because Yom Kippur falls on Wed. 9/19 lodge will be dark that day.

This year's Hiram Award recipient is Wor. Steve Varsam for his always being here at lodge to coach candidates as well as answering any questions related to masonry anyone may have.

As you may heard on the news last month, Lowes has; after five years of ownership, decided to cease ownership of Orchard Supply Hardware and they are in the process of liquidating all the assets.

After 18 years in retail, I am not sure if I will continue with retail or venture into another occupation.

Reseda Lodge #666 and The Pasadena Scottish Rite in conjunction with The American Red Cross are co-hosting a blood drive on Sunday, September 30, 2018 from 9 a.m. - 3 p.m. at the Scottish Rite Temple in Pasadena.

There will be a sign-up sheet next to the Tiler's Register. If you have any questions please call Wor. Paul Russell at (818) 266-5513. Please include your Name, Lodge Name and number, phone number and e-mail address.

This is the start of an annual challenge with the Lodge getting the most donations, having their name engraved on a plaque.

Fraternally from the East,  
Wor. Aaron J. Cohen P.M.  
Worshipful Master

**A Message From Our  
Senior Warden  
Artin Aladadyan**

How time flies, it feels like last week was our Installation, and now we can already see 2019. I hope everyone had a great August vacation, and is ready to join us again at Home. Our Officer's have been hard at it, getting ready for the next year, practicing and qualifying. I say it a lot, but we've got a great group of guys. These are men that truly care for Masonry and our Home, and I will forever be grateful for their dedication and support.

September also brings us Constitutional awareness month, and a staple of Home Lodge's September Stated Meeting is Worshipful Ralph Dash giving us a lecture on a topic from the Constitution. Unfortunately, Worshipful Dash is unable to do so this year. Certain issues have presented themselves & I wanted to ask you all to please keep Worshipful Dash & Loretta in your prayers. We're hoping our substitute can still bring the level of knowledge and wisdom that we've always gotten in September.

As always I want to invite everyone to attend our weekly degree meetings, we've always got something going on, be it coaching or participating as a sideliner. I must say I'm blown away by the change we've seen during this year. Our regular degree attendance as risen, and that's all thanks to the brethren that take the time to join us. I repeat this every month, but having people on the sidelines really shows that candidate that we care for him; it makes his night special. It brings me great joy to see so many brothers join in each degree, and it shows our candidate what being a Home Lodge Mason is. Our Lodge is built on treating each other truly like family, it's in the name, this is Home.

So remember, there's no better place to be on a Wednesday night than at Home.

Fraternally from the West,  
Artin Aladadyan  
Senior Warden

## A Message From Our Junior Warden Andre Aladadyan

I'd like to first thank Worshipful Eduardo Estrada, P.M. for putting together yet another amazing event at the Glendale Theater. For those of us that attended, we saw Mary Poppins...which was amazing. Thank you Wor. Estrada for continuing to give your time and effort for making

this happen year after year.

As we come back from being Dark for the month of August the Officers move into their step-up positions. I'm very proud of all the Officers for the work they put in towards qualifications. I'm also reminded just how much work goes into qualifying. I'm genuinely proud of you all. A big 'thank you' goes out to our Officers Coach Wor. Michael David, P.M. for helping us all along the way.

As Officers we work so hard for our Ritual work to be "perfect." Yes, I used quotes. Perfection to me means something different than maybe most people, particularly when it comes to Ritual work. In my opinion, Ritual is "perfect" when you, as the Officer, feel what you're saying and doing and, when the person you're doing it for feels it as well. For me speed is irrelevant. Flawless delivery is irrelevant. Feeling is all that matters. Sure, we should strive to deliver the right words and motions but, without putting your heart into it, Ritual has no value or purpose.

Rushing through our work for the sake of getting through it is an injustice for two reasons: for the person you're doing it for and, for yourself as the Officer. If you don't believe me, ask any candidate after a degree. Ask them how they felt during their degree. Ask what it meant for them. Ask how they feel after their degree. Because, at the end of the day we are Masons for one reason only...for the people we aim to help and better. Doing something for the sake of doing it, is not doing it at all. What's the point then?

Appreciate the process. Relish in being a part of that process. Enjoy the process. Join the brothers in going through this journey together. For when the process is over, it is all over and, we won't have anything but a memory of that process. I, for one, would like to remember it as something meaningful, not something that came and is now gone.

Take that into consideration. Each of us that are Officers, either at Home or elsewhere, or have a desire to become an Officer should consider this.

From Master to Master the expectations will change but, what will always remain the same is the efforts we put into it. Those memories cannot, and will not, ever change.

I, for one, will always keep in mind Ritual is for me, but most of all for the people that are with me and I will practice it with my heart.

Fraternally from the South,  
Andre Aladadyan  
Junior Warden

Secretary

**A Message From The  
Treasurer Of Home Lodge,  
Brother Moses Gazazian**

Very much appreciate some of your encouraging comments and support about last few articles in Home Lodge Bulletin. Always appreciate brotherly support and comments.

Our world recently has changed tremendously and most people are on the edge 24/7, but what we have is something that can not be explained by average individual(s) if they don't understand what our Craft is and what it does to "Good Men" We come together despite our political, religious and social differences and we are a melting pot of good men who are better everyday by making each other better. That's what Masonry is for me and brothers that I cherish & respect.

We're in August and Grand Lodge already has sent us per-capita bill, but as we've been planning for this from the beginning, we have most of the funds in per-capita account to pay the bill without any further and major restrain on trustees investment funds.

That's what planning and stability of our finances has done for us last 5 years and happy to report that it will continue as planned next coming year and beyond.

We had our Annual Picnic, we also have few events planned by Michael Egbert, our Hiram Award Ceremony and also Grand Lodge Annual communications coming up in October and I like to assure you that we are ready for that as well. Have a great September and for those of us who still have teenagers starting high school I say "get your engines running".

Be well my brothers and please take care of yourselves, stay healthy. We all need each other.

Fraternally,  
Brother Moses Gazazian

How many Masons does it take to change a lightbulb?

After much research this tricky question can now be answered. It takes 20, as follows:

- 2 to complain that the light doesn't work.
- 1 to pass the problem to either another committee, Temple Board or Master of the Lodge.
- 3 to do a study on light in this Lodge.
- 2 to check out the types of lights the Knights of Columbus use.
- 3 to argue about it.
- 5 to plan a fund-raising dinner to raise money for the bulb.
- 2 to complain that "that's not the way we did it before."
- 1 to borrow a ladder, donate the bulb and install it.
- 1 to order the brass memorial plate and have it inscribed.

Home Lodge Dues Information

Our dues for 2018 are \$99.00 per member, due on or by the 1st day of January. If you are not at the very least in possession of a 2016 dues card (haven't paid your dues for 2017) we will be sending you a notice of possible suspension, beginning in March. If you have not paid your dues in arrears or made proper arrangements, we will be suspending you in May of 2018. Many brethren have asked what that means. It means this, if you are suspended for nonpayment of dues, your name will be read in lodge the night you are suspended, the other Masonic bodies will be notified of your suspension (per the CMC) and you will become suspended in those bodies as well until you are back in good standing with your blue lodge. Bringing yourself back into good standing involves the following process-you must pay your dues in arrears, then you are put up to a vote of the brethren for reinstatement, then the other bodies are notified upon your reinstatement.

- Dues for the 2018 term are ..... \$99.00
Petitions for membership are ..... \$425.00
Petitions for affiliation are ..... \$130.00
Petitions for out of state affiliation are ..... \$285.00

Sickness & Distress

Many of our brethren and their ladies have had health issues, we should always keep them in our prayers, but take a minute to notify either Wor. Bob Brandt, P.M. or Wor. Richard A. Weiser, P.M. so that we can get a card out to them and check on them.

Home Lodge Sweethearts

Dear Home Lodge widows and family, please keep us up to date on any changes to your mailing address and phone numbers and if there are any changes in your health.
